

# Accessibility

Circus Oz strives to make our spaces safe and accessible. We welcome feedback to improving our processes and ways of communicating. Please reach out to us on [incubator@circusoz.com.au](mailto:incubator@circusoz.com.au) or 0447 305 931 for with any feedback or communications requests.

## Interpreters

If you require an interpreter to support your application in your preferred language (including Auslan) please contact us on [incubator@circusoz.com.au](mailto:incubator@circusoz.com.au) or 0447 305 931.

## Plain text version of the website

We have created plain text, black and white PDF versions of each page on our website. We will update the files here as we update the website.

## Physical Access

If entering from Johnston Street, the entrance to Circus Oz, main rehearsal rooms, our artist office space and toilets are all on the same level. Some additional studio spaces are on different levels and can be access via a lift to avoid stairs. A car parking space can be arranged to support physical access travel needs.
